OUR STRATEGIC PRIORITIES

- 1. Mana Oranga** - Prioritise holistic wellbeing
- 2. Mana Tangata** - Establish and maintain collaborative partnerships
- 3. Mana Ako** - Design an engaging future-focused curriculum
- 4. Mana Whakapono** - Promote a Catholic worldview based on our Marist Charism
- 5. Mana Whakaara** - Attract and develop excellence in teaching and leadership

Te Tumuaki

DR. NATHAN MATTHEWS – PRINCIPAL

Korihi pō, korihi ao. Ko Hato Pāora i whakatūria ki te mata o te whenua ki Paroro o te Rangī. Kia ai te ihi, kia tū ai te wehi, kia tū ai te whakaputaina ki te whai ao ki te ao mārama. Tihei mauri ora.

Since its establishment in 1947 Hato Pāora College has offered a unique blend of excellence, achievement and proud tradition for those who attend the college. It is a kura built on tikanga Māori and the ideals and beliefs of the Catholic faith. This special character means that Māori knowledge is validated and legitimated throughout the kura environment. Furthermore, Catholic religious ideals, beliefs and practices are an integral part of everyday life. We are extremely proud of our history and traditions and the legacy this creates for us as a foundation for providing education in the 21st century.

Hato Pāora is a college that seeks to develop and nurture its taura to not only attain academic qualifications but to also enhance their own personal attributes and characteristics so that they can rightfully return to their communities as future leaders. As a 24-hour living and learning environment we strive to provide education in its broadest and most holistic sense. The integration of the living and learning environments means that hostel life supports and affirms the learning activities within the college and equally college life promotes and develops the routines and behaviours of the hostel. This development of the “whole” taura is a key feature of life, and education, at Hato Pāora College.

At Hato Pāora we have high expectations of our taura across all facets of kura life. Whether it is social, cultural or academic we expect our taura to work hard and commit to doing as well as they possibly can. This approach is underpinned by our motto and guiding philosophy of “Whāia te Tika”. “Whāia te Tika” to us is the way in which we approach life, the values we promote and the behaviours we exhibit. Essentially, we believe that all actions should be guided by “Tika”.

As the Tumuaki, and an old boy, I am wholly committed to providing an educational environment that maximises the opportunity and potential for success of all taura of the college. We are a kura that promotes the cultural identity of each taura, supports their development as young Māori men, provides a safe living environment, and aligns with their whānau educational aspirations.

Koinei te kāinga rua e tū nei, ko Parorangi, ko Paroro o te Rangī, ko te Kāreti o Hato Pāora.

Whāia te Tika.

Dr Nathan Matthews

Ngā Puhī

Te Tumuaki Tuarua

PĀ WIREMU PANIORA – DEPUTY PRINCIPAL

He uri tēnei o te Nōtā, Hokianga Whakapau Karakia, Te Hokianga nui a Kupe. Ki roto i a Ngāti Toro e pātata nei ki ōna wai ratarata, arā a Utākura, me tōna maunga a Whakarongorua. Tōtika ki te waka o Māmari puta noa ki roto i Te Tai Tokerau. Tēnei he uri a Rāhiri.

Ko Hikurangi maunga he toka tapu e tākiri ana i te haeata. E tau tūturu nei a Nukutaimemeha hei tohu maumahara mō te tipuna, te tipua a Māui Tikitiki a Taranga. He uri nā Materoa ki roto i Te Riu o Waiaapu.

I am a proud Ngāti Whiro old boy. When you use the term ‘full circle’ I believe that applies to myself and the career that I have had in education ever since I left college 23 years ago. This saw me attend Teachers College in 2001-2003 through the Te Aho Tātairangi focused on revitalising te reo Māori in our kura. From there my family spent 13 years in Taupō teaching in Kura Kaupapa Māori and other composite schools. I was then fortunate enough to gain a scholarship for my post-grad and Master of Bilingual Education degree from Te Wānanga o Raukawa. Upon completion of my studies, my family and I moved back to Te Papaioea where I was again fortunate to work at another Kura Kaupapa Māori and mainstream school.

It has been close to three years since my arrival back to the college as a teacher and staff member. I believe that my journey through education and the experiences of various educational settings give me an understanding of our boys and how they learn. In turn, they build meaningful relationships, which enables me to follow through with the visions that our pakeke had of a quality education for Māori boys through culture and whakaponono.

Whāia te Tika.

Pā Wiremu Paniora

Te Tumu Manaaki

PĀ AARON MORRISON – DIRECTOR OF BOARDING

**Respect
Responsibility
Results**

Ngā mihi nui. I am a former pupil of St Stephens College and I have spent the last 35 years in the New Zealand Army. I am truly honoured to be the Director of Boarding for Hato Pāora College. I am excited to be in an environment that develops our rangatahi into leaders for tomorrow. In order to achieve this I strongly believe in the values that Hato Pāora stands by and challenge every taura and their whānau to respect those around them. We all have a responsibility to develop our rangatahi and if we work together we will get the desired results.

He waka eke noa:

By whānau setting boundaries and expecting the best behaviour from their rangatahi we will provide the educational, sporting and duty of care in the Hostels for them to develop. We expect good behaviour to be a strong part of the character of each taura and encourage respect toward others, to take responsibility for one's actions and together with whānau support and the staff at Hato Pāora we will get results.

Ngā mihi nui.

Pā Aaron Morrison
Te Arawa

Ko Ngā Tikanga Matatika Mō Ngā Tauira

CODE OF CONDUCT When whānau send their son to our college there is an expectation that he will be part of a safe college environment.

This expectation applies to all situations at all times over the college year where parents rightly assume that the college is providing an appropriate duty of care.

There is also a mutual expectation that when a tauira starts at the college he will treat people, facilities and the environment in a respectful manner, contributing towards the overall positive development of the college and upholding the college motto, Whāia te Tika (to always do what is right).

It is important to set high expectations that tauira understand, parents support and staff are able to manage. Our comprehensive Code of Conduct provides a pathway for the college in the event that an individual does not meet the mutual expectation at any time.

All tauira are provided with a copy of the Code of Conduct upon application. They are then asked to sign this upon arrival at the college, following an expectations hui, to ensure their understanding of college behavioural requirements.

Ko koe ia, e ta te Atua tangata, oma tau i ēnei; whāia te tīra, te karakia pai, te whakapono, te aroha, te manawanui, te ngākau māhaki. (1 Tīmoti 6: 11, 12)

But you, man of God, flee these things, and follow after righteousness, godliness, faith, love, patience, and gentleness. (1 Timothy 6:11, 12)

Ko Ngā Hononga Ā – Iwi

CULTURAL CONNECTIONS

Hato Pāora caters for tairira with extensive knowledge of te reo and Māoritanga as well as those who have had little exposure to Māori language and culture.

Teachers at Hato Pāora have the qualifications, knowledge and skills required to assist tairira in becoming fully bilingual and bicultural and extend those already well versed in the Māori language and tikanga Māori.

The College environment fosters opportunities for tairira to engage in a rich mix of spontaneous and planned

cultural and extracurricular activities. Tairira are encouraged to become involved in many worthwhile pursuits including sports and music.

Education and activities at Hato Pāora are designed to nurture the whole person - spiritually, intellectually, physically, artistically, socially and emotionally - developing well-rounded, confident young men.

Te Kura

LEARNING ENVIRONMENT

Hato Pāora tairira are exposed to a wide range of cultural experiences, to assist their formation, to foster an appreciation for culture and arts and for enjoyment.

We want our tairira to have a love of learning. We know knowledge is not confined to the classroom. Tairira are encouraged to participate and aim for excellence in sports as, through sports, they learn discipline, focus, commitment, responsibility and

teamwork. It is also important for our tairira to learn an instrument and get involved with music as it develops the brain, enhances creativity, helps keep the mind active and sharpens memory.

Ngā Whakaakoranga Oranga Pūmau

LIFELONG LEARNING

Aim: To have young people who will be confident, connected, actively involved, and lifelong learners (New Zealand Curriculum).

The statement above is one that Hato Pāora College supports and promotes with our taura and whānau. We want our taura to experience success in their learning because we value quality education and appreciate that the opportunities in life are greatly improved if they have qualifications and are well-educated.

The following extract was taken from our latest Education Review Office Report of June 2019:

The learning environment supports a strong sense of belonging, brotherhood and cultural development. Traditional structures and systems such as daily church services, house competitions, and kapa haka continue to provide cohesion and develop school spirit. In 2019 leadership has further promoted the importance of both the Catholic and Māori heritages of the college. Catholic ceremonies have been refreshed and re-invigorated, tikanga Māori is more visible and te reo Māori more widely used. Behaviour management systems and values promotion have been strengthened in both the school and hostel. In the school, new incentive systems which promote school values are being introduced. In the hostel, year group

representatives provide better, more regular feedback to hostel leadership about matters related to taura wellbeing and pastoral care.

The Learning Environment at Hato Pāora College aims to provide quality education for all taura. Given our special character, it is compulsory for all taura from Year 9 to Year 13, to study Māori and Religious Education. In addition, English and Mathematics are also core subjects for all taura. In Year 9 and 10, taura undertake a programme of learning that covers all the essential learning areas. In Years 11-13, taura have the opportunity to select other subjects that align with their interests and vocational pathway requirements.

At Hato Pāora College, we want to keep every taura engaged and achieving. We believe that effective leadership, strong whānau engagement, effective teaching and learning, coupled with our school's culture will improve the learning outcomes for our taura. Expectations for the success of every taura are high.

Education is not preparation for life, education is life itself (John Dewey).

Whanake Ngaio

PROFESSIONAL DEVELOPMENT

Hato Pāora College's learning environment is designed to support our collective vision of: "Taking good boys and growing them into great young men".

Our curriculum is designed to support all taura academically, culturally, spiritually, physically and socially. We are committed to providing your son with the tools and ability to embrace the challenges of tertiary education, or preparation for training and employment.

We offer small classroom sizes, and an educational programme to suit each the needs and aspirations of each taura.

Te Whare Manaaki

LIVING ENVIRONMENT

Taura at Hato Pāora live, learn and work in a whānau environment.

Boarding and hostel life provides taura with unique opportunities to:

- Live and learn alongside their peers;
- Demonstrate leadership abilities and responsibility;
- Develop independence, self-reliance and the highest possible standards;
- Develop a healthy and caring attitude toward others
 - characterised by a spirit of genuine acceptance and concern for one another.

The Hato Pāora Living Environment is divided into dorms which can comfortably accommodate up to 140 taura. A dorm parent is assigned to each dorm and these staff members are supervised by a shift supervisor.

The Director of Boarding, and Tumuaki are available to assist hostel staff and taura at any time.

Pastoral care provided by on-site staff members ensures taura are supported and comfortable in their living environment, allowing them to flourish across all areas of their education.

Taura lead activities and practices outside college hours and develop lasting friendships. They participate in sporting and social activities during the weekend.

Their enthusiasm for spontaneous karakia, waiata and kapa haka sessions illustrate the lively nature of hostel living at Hato Pāora.

Ngā Mahi Motuhake

CO-CURRICULAR ACTIVITIES

All taura at Hato Pāora College are expected and encouraged to take part in the co-curricular activities available to them.

Amongst those offered are a range of spiritual, cultural, and sporting activities. Hato Pāora College taura have a long tradition of being actively involved in co-curricular activities and this fine tradition will be continued. It is our expectation that all taura take part in at least two co-curricular activities during the year.

Once a taura has committed himself to a college team, or an activity, he is expected to arrive on time and take part to the best of his ability. Considerable time and effort goes into the organisation of activities, so it is unrealistic to have your son excused from his co-curricular activity unless exceptional circumstances arise. This is particularly important to remember when you wish to plan weekends for your son to take leave. As a result, leave is restricted to after all sporting and other co-curricular commitments have been fulfilled.

Notes:

- Leave requests for exceptional circumstances must be submitted directly to the Tumuaki.
- If your son is in the Senior A Kapa Haka team or in the 1st XV, attendance at all practices/wānanga and camps is mandatory.

Taura Council:

This committee is made up of two representatives from each year group, including Head Boy and Deputy Head. This committee will meet up regularly to offer feedback and taura voice about any initiatives they may have for the Living or Learning Environment.

Ngā Hākinakina

SPORTS

At Hato Pāora College each taura is encouraged to take part in activities with the utmost determination and skill.

The college upholds a “code of fair play” which all sports teams are made aware of at the start of each season. We encourage parents and whānau to support and enjoy the activities your son takes part in. We ask that you follow this code of fair play and act as gracious hosts to visiting teams.

The following is a list of our college-sanctioned sports:

- Summer: Softball, Cricket, Touch, Rugby 7's, Athletics, and Swimming
- Winter: Rugby and Basketball

Taura should play at least one sport in summer and one in winter. If unable to play, the taura can still participate in a team by assisting the coach, managing a team, looking after the gear and uniforms, refereeing, and other roles of support. Non-participation is incompatible with our philosophy of working together and supporting Hato Pāora College.

Ngā Utu

FEES

The fee structure for your son/mokopuna to attend Hato Pāora College has two components – the Learning Environment Fee and the Living Environment.

The Living Environment includes the hostel fees and medical fees that may be incurred such as doctor, physio or pharmacy.

The Learning Environment costs will be invoiced as they are incurred and include costs for trips, uniform and sports fees. These vary depending on the activity/sport and you will be contacted for prior approval before billing.

HOSTEL FEES (Fees are subject to change)

Breakdown per term:

\$3630.00

Total Annual Fee:

\$14,520.00

HOSTEL

The board policy is that first term fees must be paid prior to your son/mokopuna taking his place in the hostel.

Arrangements may then be made to settle the following term fees by the following methods:

- Cheque/Cash
- Internet banking payment directly into the Board's bank account;
- Weekly, fortnightly or monthly automatic payments and/or direct debit.

Both Boards of Hato Pāora College have a clear expectation that parents/caregivers will honour all fees incurred for the education and boarding of their son/ mokopuna or risk their son's placement in our college.

Ko Te Whenua E Noho Nei Te Kura

LOCATION

Located on 17ha of rolling farmland approximately 11km from the rural Manawatū township of Feilding, Hato Pāora College offers taura an abundance of space and fresh air.

College grounds are picturesque as well as vast. Surrounding native bush attracts native birds including the kererū and, as the college is set back from the roadside, taura live and learn in a tranquil setting free from the distractions of vehicles and road noise.

Te Whakauru Tauira

ENROLMENT INFORMATION

The primary intake level at Hato Pāora is Year 9 with spaces available in other year levels as vacancies occur in both the college and hostel. Application forms may be submitted between one and three years ahead of the year the prospective tauira would be expected to start Year 9. All other year level applications will be assessed on a case-by-case basis.

STEP ONE - THE APPLICATION PROCESS Once you have decided that Hato Pāora is the preferred educational option for your son/ mokopuna, please request and complete an enrolment form and return with required supporting material outlined in the enrolment pack to: office@hatopaora.school.nz or post:

Hato Pāora College
1314 Kimbolton Road
RD7, Feilding, 4777

During the application consideration process we may contact current and previous schools for further relevant information.

STEP TWO - INTERVIEWS Following receipt of your application, you and your son will be invited for an interview in a formal yet friendly setting. Many of the interview questions will be directed to the prospective tauira with a

parent/caregiver present to provide support. Interview times are arranged by the college and generally take place during terms two and three of the year preceding entry.

STEP THREE - ENROLMENT CONFIRMATION In the event of a successful application, you will receive a written offer of a place at Hato Pāora College. To secure your son's place you will need to sign and

return the Enrolment Agreement, arrange payment for the required fees and provide all other information outlined in the enrolment pack.
